### What is RGI Housing?

The Rent-Geared-To-Income (RGI) program provides a subsidy to low income families and individuals to help provide safe and affordable housing. The difference between what the market rent on a unit is, and the rent amount that you can afford to pay (calculated on your income), is the subsidy amount that is provided

#### Basic Eligibility Requirements of RGI Housing

- At least one member of the household must be 16 years old or older and must be able to live independently
- Each member of the household must be a Canadian Citizen, or a landed immigrant, or a refugee claimant
- No deportation, departure or exclusion order has been made against any member of the household
- Eligibility for housing may be delayed if any member of the household owes money to a Rent-Geared-to-Income housing provider, either rent arrears or as a result of damage that they caused.
- Eligibility for housing may be denied if any member of the household has been convicted in the previous 24 months of an offence under *Section 85 of the Social Housing Reform Act 2000*, or a crime under the *Criminal Code (Canada)* regarding the receipt of rent-geared-to-income assistance, or found by the Landlord and Tenant Board or a court of law to have misrepresented their income for the purpose of obtaining rent-geared-to-income.

The Central Waiting List covers the District of Timiskaming with housing projects located in, or in close proximity to each major centre. The providers listed within offer a variety of accommodation for all household types.

#### After You Have Made Application

Once you have completed and returned the application form to the Central Waiting List, based on the date of receipt. You will be offered a unit; on a first-come first-served basis.

It is your responsibility to advise the Central Waiting List of any changes, such as:

- address
- changes in family size
- changes in living situation
- changes in your income
- phone number

#### What is a Special Priority Housing?

"Special Priority Household" means a household that has been given priority due to an abusive situation.

#### How to Apply for RGI Housing

Anyone interested in applying for housing may contact any of the participating Central Waiting List providers. Application forms can be picked up at any of the providers' offices, at certain agencies throughout the community, or if it is more convenient you may request that one be mailed to you. Staff are available to answer any questions, either in person, by telephone, or by mail.

All of the required information on the application must be provided before it can be processed and placed on a waiting list.

Information regarding social housing providers is also available on the District of Timiskaming Social Services Administration Board's website [www.dtssab.com](http://www.dtssab.com).
