Pet Policy of the District Of Timiskaming Social Services Administration Board

Tenants should be aware that ownership of household pet has certain responsibilities in order not to interfere with the rights of other tenants and neighbours, and to ensure a safe, clean and quiet environment.

Under no circumstances is a pet allowed to run at large unleashed. All pets must be on a leash or carried while in public areas and hallways. Pets left unattended in public areas and hallways or allowed to run loose in the building or grounds will be reported and the owner will be issued a warning. The owner may also be held liable for any injury or damage caused by an unattended pet.

All Tenants owning pets must ensure that:

1. A pet information form is completed and signed
2. All local municipal regulations are observed
3. Pets must remain quiet in the unit at all times and not disturb the other Tenants in any way
4. The pet must have proper care at all times
5. The apartment must be kept clean at all times and litter disposed of properly.
6. Under no circumstances is a pet allowed to run at large unleashed and when being walked, the owner must carry and use a "pooper-scooper".
7. Any damage to the unit, building, or grounds caused by the pet must be repaired at the Tenant's/pet owner's expense and to the satisfaction of the District of Timiskaming Social Services Administration Board.
8. Any flea or parasite which may infest the apartment must be cleared up immediately at the pet owner's expense.

Pets must not be allowed to come into contact with other Tenants unwilling to be touched or licked by the animal or be allowed to intimidate other Tenants. Example: dogs being taken in the elevators and thus in closed, confined areas with other Tenants.
